

# PARKER Pest Control INC.

*"Whatever it takes"*

## capability statement

### Summary

Parker Pest Control, Inc. is a family owned business with a family culture. The company was started by Dick Parker in 1963 in Ponca City, Oklahoma, and has been under the management of son Brad for the past 20 years. Brad Parker has **40 years** experience in the business and is an **Associate Certified Entomologist**. All technicians are required to become a **Certified Applicator** in their first year of employment, a standard rarely demanded in the industry. The average tenure of employees is well over 10 years.

Parker Pest Control, Inc. is small enough to provide individual personal service, but is in the **top 10%** of the largest privately held pest control companies in the U.S. "Whatever It Takes" is the company creed, which is exactly what is accomplished.

### Business Summary

For 52 years, Parker Pest Control, Inc. has achieved a **high standard of service**, and is a **leader** in the industry. The company has the following set of values and requirements:

- HUBZone approved
- All technicians become Certified Applicators
- Excellent reputation, leading to new business almost entirely from referrals
- Patented specialized proprietary equipment
- Proprietary protocols which provide more effective service
- Experienced in all invertebrate pest control
- Money back guarantee
- Long employee tenure
- Licensed, bonded and insured - OK License #C-187, KS License #1500

### Expertise

Owner Brad Parker is an Associate Certified Entomologist with over 40 years experience. The majority of technicians have 10 years or longer tenure and are a Certified Applicator.

The unique **PEST ELIMINATION TREATMENT** utilizes the patented **P.E.S.T.® Machine**, utilized by no other company, and allows Parker Pest Control to achieve 100% control with **no** odor, vapors or fumes using a product which has approximately the same oral toxicity level as common table salt.

### Capabilities

- Provides **Pest Elimination**, not pest control, including all species of roaches
- Proprietary effective treatment for **bed bugs**
- Unique effective service for other pests including spiders, ants, termites, mice, fleas, etc.
- Can consult/sub-contract vertebrate pest control i.e.: birds, moles, gophers, skunks, etc.
- All trucks are equipped with large spray rigs for outside treatments

### Customer References

- Vance Air Force Base / Hunt Housing
- Northern Oklahoma College / Tonkawa and Enid, OK campuses
